Regt of Mo Infantry

VOLUNTEERS.

Died Dec 29 1864 64

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates, on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment entered on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, military equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landowners must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the General Auditor, Washington, D. C.

It being represented to the Maj. Genl. commanding
this Department by Rev Samuel Sawyer Agent for contraband
Negroes, that there are many Negroes who belonged
to Rebel and Disloyal men and who are emancipated by
the laws of the United States - which negroes are gathering
into our Military Camps and Posts and seeking
the protection of the Government, and are in a
distressful condition, and without proper employment
or means of support it is therefore ordered that
Col. B. L. Farnum go to such points upon the
line of Rail Road travel in this State and make
such arrangements for the employment or removal
and transportation of such Contrabands as may
conduce to their being employed in a manner
useful to the Government and beneficial to them-
selves - Col. Farnum will carefully avoid the
removal of share of loyal men or owners, but
take only those that are clearly the property
of Rebels, and secured of proper assurance of
their freedom —

FINAL STATEMENT

2281

OF

Private Nicholas F. ...

30 Regt of Me Infantry

VOLUNTEERS.

Issd April 11, 1864 AXK

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates, on these certificates the Soldier is "entitled to" his discharge and should also present his discharge to the Paymaster to have the payment entered on it. The discharge is to be given back to the Soldier by the Paymaster, the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and enclosed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account and all other charges against him or in his favor, so as to comprise a complete statement of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is not made up. These accounts for back pay &c. are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to baggage, arms, equipments, and other miscellaneous charges, should appear under the heading of "Other Discharges."

NOTE 5.—Money paid by State authorities and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and his dependents must be entered on the muster roll in which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

MEDICAL CERTIFICATE.

app'd 1890 June 19th 1893

Ser't - Chas. Firmin Co. F
of the *10th* (30th) Regiment of *Missouri* Vol. Infantry
having applied for a Certificate on which to ground an application for leave of absence,

I DO HEREBY CERTIFY, that I have carefully examined this officer, and find that *He has*
chronic hepatitis, and mucous irritation with hyperaemia of the liver & spleen, constant
discharge of five months standing. He has a gouty diathesis. He does not improve under treatment,
and that in consequence thereof, he is, in my opinion, unfit for duty. I further declare my belief that he
will not be able to resume his duties in a less period than *Four months, and*

therefore recommend that a leave of absence for twenty days be
granted in order to prevent protracted convalescence or permanent disability.

Sir

I would most respectfully request
a leave of absence for the period of
twenty days, on medical grounds in

I think that if I am granted
the leave of absence the change of
air will perhaps enable me to
return to my Regiment within the
time specified

Sir

The Military history of Priv. Charles Fisher
of Company C. formerly of Company F. 30th Mo. Inf. Regt.
is miserable in the extreme. It will be seen by
his Descriptive List. that five days after his recei-
ving his first pay at St. Genevieve Mo. he deserted.
that he was apprehended, and returned to his
regiment on the 20th day of Feb. 1864. and then
stated to some of the soldiers of the regiment that
he never would go into a fight. Immediately
afterwards he became sick and went to
Hospital at Vicksburg Miss. from whence he
was furloughed on the 13th day of Oct. 1864. for
thirty days. He then goes into Hospital at St. Louis
and writes for a descriptive Roll, which has
been forwarded on the 9th of Dec. 1864. to J. F.
Bennett A. A. Genl. St. Louis Mo.

Respectfully

Your Obedt. Servt.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *h, s, &c.*, &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1240 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge, and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to the corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to whom they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates, sent to the Adjutant General United States Army, at Washington, D. C., they will not, under any circumstances, be given out the hands of the soldier.

John W. Fletcher Major of the 30th Missouri
Volunteer Infantry having applied for a certifi-
cate upon which to ground an application
for resignation: I hereby certify that I have
carefully examined this officer and find that
he has imperfect and only partial use of
flexor tendons of the left hand; the result of
an accidental wound.

He has a tumor near the spine below
the scapula of left side. I diagnose it
an adipose tumor. He says it becomes so
painful at times as to totally incapacitate him
for the performance of any duty.

The attention of the Comdy General is respectfully called to the case of Capt Amos P. Foster, 3^d Mo. Inf. Vol. whose unsettled account in this Office exhibits a balance due the Government of \$1396 40^{cts}; Repeated attempts have been made to induce Capt Foster to appear here for the purpose of clearing up this official business, but he has managed so far by frivolous excuses and studied evasions to delay the matter. It is Respectfully recommended that an order for the arrest of Capt Amos P. Foster may issue, as it appears he can in no other way be made to present himself at this office.

Gen.

I would most respectfully state: that, I came down yesterday: - It will be some Week or ten days before, I can make arrangements, to obtain the money: that, you, by instructions of the Prov. Mar: - Genl., have ordered me to pay over, as a deficit in my cash account: while acting as "S. S. & C. T." of the "P. M. & O. Dep." of the Mo. -

You inform me in your Letter: that, my "Report" is "entirely unsatisfactory": and, that, I ought to know, in settling with the Government I must produce Vouchers &c. &c. -

As far, as, my Report is concerned, every word in it, is the plain truth to the best of my knowledge and belief, upon the Honor, of an Officer and Gentleman: and which, I can prove by other witnesses than those whose affidavits are attached -

As to the Voucher - How? I would ask, under the circumstances, could I, have or get, the proper one - not allowed to settle, when ordered away: and, not having seen the inside of the Safe: that, I used, to keep Voucher and money in, since the 17th or 18th of July 1863 -

The only Voucher: that, I can get or give, would be one: stating, the amount in Voucher and money received by me: and, deposited

in The said Office Safe: and which has not
been accounted for to my credit. by those (Lt Hines
and Capt. Gray) who immediately succeeded me. in said
Office: and to the truth of which, I would certify
as an Officer: and thereto, attach the affidavits of
those who were cognizant of the fact, of my leaving
such Amount in The Safe —

If that will not do. I desire to
know: if. when I get The money. I can be permitted
to deposit the same. in some Banking House; and
deposit with you: or. some person authorized. The
check of deposit of said money: there to remain
until a "court of enquiry" can be ordered to
investigate the affair. for. I desire to know.
if The United States Government in honor to herself
and justice to me. can ask: or. require of me.
to return that which I never had: or. be held
responsible. for crimes or negligence of others.

Be it, as it may: I shall. as
I have a right to do: demand an investigation.

I would come over and see you: but.
my ankle is quite weak: and, I keep as still
and quiet as I can —

I am most Respectfully

Ch. of M. & W. of the Mo

Dear Sir:

I would most respectfully
beg leave to make the following Report, as regards
the Papers handed me by you, some time since
the same, purporting to give a statement of
the monies received and disbursed by me also,
my remaining indebtedness to the U.S. Govt.,
while, I was acting as Chief, of the Contraband
and Compensated Negros, of the P. M. & W. dur-
ing a portion of the month of Juneth
July 1863. when, said Office was under
the supervision, of Col. Jas. O. Broadhead
P. M. & W. and Dr. H. H. Hine. Or. P. M. & W. =

Col. B. S. Fannin, who was
Chief of said Office, (C. S. & C. P.) some
time in the last of May, or the 1st June
1863, applied for, and obtained, a 30 day
leave of absence, to visit his Regiment,
then lying near Vicksburg. Some 3 or 4
day after Col. Fannin left - his Office,
which, had been, previously, distinct and sep-
arate, from the P. M. & W. was merged into
said Office (P. M. & W.) as one, of its
members; and, Col. Fannin by order of
Genl. Schofield, was permanently re-
moved from duty in this Department.

2 and, ordered to report to his Regiment
for duty, forthwith - Thereby, not allowing
him, to return; and, close up his business
accounts, as, he should have done; & as,
to have enabled him, to make his prop-
-er final settlement; and, turn over to his
Successor, The Money remaining in his
hands, together, with The Official Record,
The Paper pertaining to same, &c. &c.
after this, taken place, Col. Fannin's
Office, was visited by Col. Broadhead
& Capt. Knight who inspected same.
- Col. Broadhead ordered me to take
charge of The Office, (which was then on 4th
bet. Green & Morgan) and remove all of the
Bound. Books and Official Paper together
with The Office Furniture, to The Building
(cor. 5th & St. Charles) occupied for Office
of The U. S. Dept., immediately -

I think, I finished moving and
got ready for work, on The 17th of June
(if I am not mistaken) - In connection
with The moving, I will here state,
that, there were several Vouchers, that,
I had paid, while Col. Fannin was
Chief, with money received at The
Office (which, had not been deposited)
which were ^{being} lost, mislaid or stolen that
day; They had been, as was usual,
left on his auditing clerk's (Mr.

3 Morrow) Table, to be filed and entered
on the Book as credit - Mr. Morrow
had been sick for some time, before our
removal; and, they were never recorded.
I do not recollect in whose favor
they were; or, what was their united
amount - but, of one thing I am
certain - that, it was the loss of these
papers, that caused the deficiency
in Col. Fannar's Cash account. -

When I took charge; all the money,
except a few hundred dollars ^{in the safe} rec^d
by Col. Fannar, was deposited in the
Sub. Treasury; subject, to his official
check - and, I could draw none to pay
Vouchers; that, were constantly being pre-
sented to me for Settlement - I inform-
ed Col. Broadhead of the fact; and,
he ordered me to retain all the money
paid in; so as, to meet those demands.
I done so, - and I was in charge of the
Office; personally, about ten days.
when, I was taken violently ill; he
was confined to my room, nearly,
three weeks - after which I was not
able to attend to the duties of my
Office. - I applied and obtained
from Genl. Schofield a 30-days
leave of absence, to visit my
Father in New Hampshire

4 I took advantage of said "leave", on
The Evening of the 19th of July¹⁸⁶³ — A
day or two before I left I turned
the Key of the Safe, over to my Brother
Mr. O. H. Foster — my Endorsing Clerk,
I took a pencil Memorandum of
what was in the Safe, in his presence,
and left it, I think, in my Desk,
instructing him, to allow no one, to
open the safe, or, in any way disturb
its contents during my absence. — I
returned to St. Louis for duty on the
17th of Aug. 1863 — and, found, that, I
had been relieved from duty in said
Office, some two weeks before; and, a Capt
Gray had been appointed to succeed
me — and, that, by order of Col. Brooks,
my Brother, had been required to turn
the safe key over to a Mr. Barrett
my Office Attorney and a relative
of Col. Broadhead's — and, that he (Barrett)
had turned the key over to St. Louis for
Capt. Gray, or, to Capt. Gray himself.
Also found out that my Brother, and
my Chief Clerk, Mr. Arthur, had
been arrested on grave and serious
charges — Mr. Arthur having been
confinement for two weeks, in Myrtle
Street Prison — I also, received
notice to remain in the city

and, had myself in constant readiness, to appear, as a witness, against them before a Court Martial, when their case was called - I done so - Some time in the first of September, Mr. Armiton was tried, and, acquitted; and my brother's case, was dismissed by the Court - Some 2 or 3 days after that was over, I received an Order, to report to Col. Broadhead for ^{my} duty in my old capacity - I done so - I found everything in the most complete confusion and disorder, imaginable, in my Office - Official Papers all disarranged - and some not to be found at all - all of my private personal papers that I had left in my chest gone - I went down to St. Wine, and, reported to him the condition of things in my Office, - He said I must fix them up the best I could, that Capt. Gray was not much of a business man - I then asked St. Wine for the Key of the Safe, to see how things were there - He said Capt. Gray had it, but, he would get it for me - but, it did not come that day (so). The next morning I went to Col. Broadhead and made my statement to him, he said I

1 1 1 1
6 must go to Mr. Hine - so, I went to him. He said he did not know where Capt. Gray was; but, believed he was sick; that, he would get the key for me - I told him I would not resume the duties of the office, unless I could get the key of the safe, it contained all the money, and, vouchers I had rec^d - and, the first thing I intended to do, was to have a settlement - The key of the safe did not come that day - and on the next morning (Sept 17th 1863) I was relieved from duty in this Dept., by order of Genl. Schafieff, and, ordered to duty with my Regiment, without delay. - I immediately obeyed the order - which debanded me from knowing, what, was then in the safe: having not seen the inside of it since July 17th or 18th 1863 - Also, of making a settlement and properly turning over to my successor what belonged to the Govt. that, was then in my hands, as I should have done - It was through no fault, or, negligence of mine, that the affairs of that office were not properly adjusted and reported, while I was in charge; or, at the time I was relieved - after I was relieved, I learn, that

7. The Office and its contents passed through
some five or six different hands be-
fore they came into your possession
- and knowing some of the parties
my only wonder is, that, you found
things, in as good a condition, as,
you have reported them - The "Sim-
mary Statement" of your of money
received by me; I believe to be correct,
with the exception of the "Merrimack"
my last Receipt was given July 17th
1865 for "\$1436.75" from which must be
deducted the expenses which were "\$92.⁰⁰"
leaving "\$1344.75" instead of "\$1498.75" -
The "\$40.⁰⁰" paid "John Rose" was per
duty - as Special Detective for the
purpose of trying to get the counterfeit
and, their fixture; who were making
the bogus U.S. Postal currency, he
succeeded in getting some - No
voucher was ever taken for this
money paid out - I paid "\$22.50" to
John Brown - one of Col. Vassar's
Detective who was discharged, before
the end of the month - I have never
been credited with the money - I received
St. John's Roll, but he did not have
the money to pay me - And, thus that
matter has stood - The bill attached
marked "Office Expenses" is what I

8 paid out in the month of June 1863.
No Voucher was ever made out for it,
and, I have never been credited with
it - That bill also includes the mon-
ies paid "Rose and Brown" - The am-
ount of Voucher that I left in the
Safe July 17th, or 18th, 1863 - I have put
down at "\$2460.⁰⁰/₁₀₀" but, am confident
it was much nearer \$2500.⁰⁰/₁₀₀.

I have attached hereto, the Statement
of Messrs. Foster, Mansfield, Barrett and
Morrow - all of whom, were in the
Office at that time, and know all
the circumstances and the way I
was used - I also attach the Receipts
of money that I have paid you, also
Statement of money due Brown by
Dr. Vick; also, my account of credit,
with Paul Sheet, - Also! copies of the
order of my leave of absence and
relief from duty - Hoping, that, the
foregoing Statement, which, to my best
knowledge and belief are true - with
their accompanying Papers may prove
Satisfactory on my part -

I have the Honor to be

Statement of James B. Maupin late
Government agent of the Office U. S. C. & P.
Department of the Missouri, Relative to monies
and vouchers left in safe by Capt A. P. Foster
formerly in charge of safe.

I was employed by Col B. F. Farnas
about the 20th of March 1863. as Government agent
as above stated, and remained in the employ of said
Office until the last day of July of said year.
Some time in the early part of July 1863.
Capt Foster went East, a day or two before leaving
I was in the office with Capt Foster and saw him
arranging vouchers, and put them in the office safe
after he left. I saw his Brother Allen H. Foster
open the safe, (the key being left with him) and saw
the vouchers I did not foot up the amount of
said vouchers but think there was about twenty
five hundred Dollars worth; at the same time
the safe was open there were some money enclosed
in envelopes in the safe, with amounts, who received
from, and amounts drawn from each package
to pay vouchers, endorsed on the envelopes. I think
there was about four hundred Dollars remaining
in these envelopes at that time. I did not count
it.

James B. Maupin.

State of Missouri }

this 7th day of May 1887 personally appeared
before me the undersigned Clerk of the County Court
James B. Mansfield and being by me duly sworn on
his Oath states that the above and foregoing statement
is true to the best of his knowledge and belief

In Testimony Whereof I Me L. G. Crowe

the County of Franklin aforesaid have
hereunto set my hand and affixed the Seal of said
Court at office in Union this day and date
last above mentioned

Statement of Richd A Barrett, late Capt also in the
office of S & C & C Dist of the Mo, relation to monies
& vouchers left in the safe of S & C office of Capt A P
Forster while in charge of same.

I was employed by Col B G Farver in the month of
Feb 1863. Sometime in July 1863 the S & C Capt
Forster went East. During his absence I received
from James B Murphy, Capt receiving agt for S & C office
a sum of money. I do not recollect the amount,
believed to be about ~~seventeen~~ dollars, not knowing what
to do with S & C money & not having the key to the safe
I applied to Lt Col Broadhead Prov' Mri Gen for
instructions. The Prov' Mri ordered that the key of the S & C
safe then in the possession of Mr A P Forster be delivered
to the S & C Barrett, & to place the money in S & C safe.
I used the key & placed S & C money in the safe.
At that time there were vouchers in S & C safe, which I understood
from the S & C Capt Forster, before his leaving, were to be credited to
him as money paid, also a sum of money how much of
each I am unable to say, having never ascertained. I never
saw an inventory of S & C safe. I retained possession of
the key of the safe till the appointment of Capt Gray by
the agt of the S & C Prov' Mri, to take charge of the same.
To whom I turned over the key of the safe with its contents
as they then existed. I know nothing further of the safe or its
contents.

Statement of John L. Warren: & Clerk in
the Office of Gen. D. W. Mansfield.
Department of the Missouri.

Relates to Monies and Vouchers left in the Safe of
said Office.

By Captain Aug. T. Foster formerly in charge
of same.

I was employed by Col. Bernard T. Lamar, on
the 8th of January 1863, as Auditing Clerk in said Office.
Sometime in June 1863, said Office was removed in the 2nd
Main Engr. Office. By Command of Maj. Gen. Schofield,
Capt. Foster was Acting Chief (during Col. Lamar's absence)
all Monies received were Deposited in the Safe. And Vouchers
paid and held as cash on hand - on account of Capt. Foster
having no power to check on the Sub. Treasurer. During
the early part of July 1863, Capt. Foster obtained leave of
absence to visit friends in the East, and also depositing all
Monies, Vouchers, &c in the Safe, left the Key with his Brother
Allison H. Foster. Soon after Capt. Foster left the charge of the
Safe was by Order of Gen. James A. Broadhead, Pro. Maj. Gen.
turned over to our Richard M. Bane, Acting at that time
as Government Attorney.

In connection with this matter it may be proper for me
here to state that by the inadvertence or negligence of said Allison
W. Foster the safe was not always so securely locked as the
importance of its contents would seem to require, on one
occasion to my recollection it was accessible to persons about
the office. And at the time the charge of the same was entrusted
to Mr. Barrett no receipt was taken for its contents,
Captain Tyler being absent.

I do not know the pre-
cise amount of money and vouchers deposited in the safe
by Captain Tyler on leaving for the City. But I am confident
that all vouchers, receipts, papers and moneys in his charge
were so deposited the day he left.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, etc., etc., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, etc. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment binds to service. A mustering must, in all cases, precede payment of pay, bounty, pension, etc. A mustering roll must, in all cases, be filed in the Adjutant General's Office as evidence of mustering. The mustering officer, commissary, or assistant commissary of musters, or the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the recruiting officer.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *l. b. &c.*, &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his own endorsement thereon, through the proper channel, to his division commander, or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper, and that the soldier is furnished with the proper final statements in duplicate, and forward both of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—collection of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The recruiting officer, commissary, or assistant commissary of musters, or the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier has served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, at the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to describe the degree of disability—as *1*, *2*, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his endorsement thereon, through the proper channel to his division commander; or if the troops are not attached to a division, to his corps, department, or other commander, or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who, if the discharge is authorized by the endorsement of the proper authority, will forward the soldier's discharge, and the last certificate on this paper; and that the soldier is furnished with the proper final statement in duplicate, and forward both of these certificates to the Adjutant General, United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

FINAL STATEMENT

Private John R. George
50th Regt of Me Inf Vol

VOLUNTEERS.

Died Sept 22, 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates, on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon receipt of three muster rolls, and the Soldier receive any pay, allowances, &c., that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the Adjutant General of the Treasury Department.

NOTE 4.—Charges for loss or injury to clothing, horse, equipments, and other necessaries charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Butler and Landrum must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

FINAL STATEMENT

Private Patrick Gibney
3d Regt of Missouri

VOLUNTEERS.

Wred Oct 2d 1863.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates, on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury of ordnance, horse equipments, and other miscellaneous charges, should be entered under the heading of "Other Charges."

NOTE 5.—Bounty paid by State authorities, not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and his heirs should be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

FINAL STATEMENT

OF

Pvt. Benjamin Glasscock
30th Regt of Missouri Infantry

VOLUNTEERS.

Decr 8, 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay &c. due him and the captain or other commanding officer commanding the company will certify to the act of the delivery of the duplicate certificates. In these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment made on it. The discharge is to be given back to the Soldier by the Paymaster, the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and enclosed with a statement to this effect by the officer. This statement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the closing account and all other charges against him on his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full and satisfactory account on the muster roll upon which he is discharged. The muster roll is reported. The descriptive list will then be sent to the Auditor of the Treasury Department, and the Soldier's account will be closed upon the receipt of these muster rolls, and the Soldier's pay will be paid on his final statements from the fact that the descriptive list is reported. ARTICLES OF WAR.

ART. 53. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by permanent or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the nearest military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

Par. 132. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 53rd Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventory. When a soldier dies at a post or station about from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—." If the legal representative receives the effects, it will be stated in the report. If the soldier leaves no effects, the fact will be reported.

Par. 133. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

Par. 134. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, no copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, etc., etc., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, etc. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment binds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, etc. A muster-in will must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, in the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of volunteers, etc., etc., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, etc. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, etc. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

VOLUNTEERS.

L. C. Celling

NOTE 1.—Two of these certificates (or duplicates) are to be given to each volunteer soldier who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay due him, and the captain or other officer commanding the company will certify to the act of the delivery of the duplicate certificates, on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—Amounts due the Soldier and Laurence must be entered on the Muster Roll on which the death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

John Green
30th Reg't of Ind Inf

VOLUNTEERS.

Died Oct 17/86

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay due him, and the captain or other commanding officer commanding the company will certify to the act of the delivery of the duplicate certificate, on these certificates the Soldier is entitled to his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements; and also to the time he has pay due for having been mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or to his favor, as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowance that may be due him at the time of his discharge, and which may be due him on his final statements from the fact that his descriptive list was destroyed. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to baggage, camp equipments, and other miscellaneous charges, should appear on the back of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landworn must be entered on the muster roll on which the discharge, death certificate, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, or duplicate, to the Adjutant General, Washington, D. C.

Capt. W^m J. Wilkinson

Comdg 30th Regt Mo. Vol. Infy.
Captain:

In obedience

to order endorsed on accompanying papers of Urban
Grieshuber late Private Co. K. 30th Regt Mo. Vol. Infy., I
have the honor to report the following facts in his case, viz.

The record on the Descriptive Book of Co. K.
states that said Priv. Grieshuber was discharged at
Youngs Point, La. February 7th 1863, by order of Major
General U. S. Grant, on Surgeon's Certificate of Disability,
Being in command of the Company at that time I
think I remember having assigned as reason for his
Discharge on his Certificate of Disability, that said
Grieshuber was partially blind and deformed and totally

unfit for service and that said disability was not, in my opinion, received in the Service. I wrote and signed quadruplicate Final Statements of which I delivered duplicates, with Discharge, to said Grieshuber, and sent the remaining duplicates to Regimental H^qs. That these Final Statements were correct, is proved by the fact that those sent to Regt. H^qs were not returned to me for correction, and also by the fact that Final Statements were written at the same time for one, Henry Weisger, who was discharged on the same day, and who, to my certain knowledge, received his pay thereon.

On or about the 15th day of November 1863, an order was received at these Co. H^qs, from one of the Surgeons on duty at Jefferson Barracks Hospital, for said Grieshuber's Discriptive List, to which I replied, being then in command, to the effect that said Grieshuber had been regularly discharged from my Company, and when, where and by whose order, and that therefore, he was not entitled to a

Descriptive List. I have been informed by the then acting
1st Sergt of Co. K. since my arrival at the Regt from special
duty, that 1st Lieut Adam Ofenstein, on or about the
20th day of March 1864 then Commanding Co. K., did
receive an official order for a Descriptive List
of said Gueshüber, and that he put said order into
his pocket and left next day for St. Louis. He having
received the acceptance of his resignation. I arrived
at the Regt on the evening of March 21st and took
command of my Company March 22nd 1864; not
knowing from whom the afore mentioned order eman-
ated I could not answer it nor execute it.

With the remark that these are all the
facts in this case of which I am cognizant;
I remain, Capt. Very Respectfully,
Your most obedient servant
Leo Rassieur.

HEADQUARTERS DEPARTMENT OF THE EAST.

NEW YORK CITY, May 9A, 1865

General Order,

No. 36

Pursuant to instructions from the War Department, the following Orders are promulgated, and will be carried into effect throughout this Department :

I. All soldiers, patients in hospitals, except *veteran volunteers*, *veterans of the First Army Corps* (Major General Hancock's), *soldiers of the Regular Army and Veteran Reserve Corps*, will, as soon as they shall cease to require medical treatment, be at once mustered out of service in the usual manner.

II. The Commissary and Assistant Commissaries of Mustern will take special pains to see that the commanding officers of the regiments, and chief mustering officers of the *Mustern* to which the soldiers belong, are each furnished with a copy of the muster-out rolls. Five additional rolls will be made out, and disposed of as follows: One will be sent to the Adjutant General of the Army, one to the "Bounty Bureau," Washington, D. C., one to the Adjutant General of the State, and two rolls will be given to the soldier, in a sealed envelope, together with this discharge. The two rolls he will present to the paymaster to whom he applies for his pay.

III. Soldiers whose claims for pensions are entitled to consideration should be discharged on the usual surgeon's certificate of disability. Soldiers absent on furlough from hospitals will be notified by the surgeon in charge to report to the nearest chief mustering officer for muster-out, and required to acknowledge the receipt of the notification. As soon as the acknowledgment of the notification is received, their descriptive lists will be sent to the chief mustering officer to whom they report. Should they return before receiving such notification, they will be mustered out as the others.

IV. The Medical Director will direct surgeons in charge of the following-named hospitals, upon receipt of this order, to send all such soldiers as come under its provisions to the respective places as hereinafter mentioned, to be mustered out. They will be furnished with descriptive lists giving as full a military history as possible of each man. ~~Where no descriptive list was received with the soldier,~~ the surgeon in charge will be governed by General Order No. 36, A. G. O., of 1862.

Soldiers from hospitals in New York City and Harbor will be sent to Captain WILSON HARTSTON, Chief Commissary of Musters, Department of the East; from hospitals in Albany, Rochester, and Troy, N. Y., to the Assistant Commissary of Musters, Albany, N. Y.; from hospitals in Elmira and Buffalo, N. Y., to the Assistant Commissary of Musters, Elmira, N. Y.; from hospitals in New Jersey, Connecticut, Rhode Island, Massachusetts, Vermont, New Hampshire, and Maine, respectively to Assistant Commissaries of Musters at Trenton, N. J., Hartford, Conn., Providence, R. I., Boston, Mass., Brattleboro, Vt., Concord, N. H., and Portland, Me.

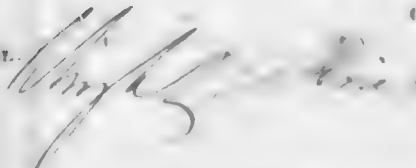

V. The muster rolls, as heretofore specified, will be forwarded direct, excepting the copy for regimental commanders, which will be transmitted through the Adjutant General of the Army. The muster roll for the chief mustering officer of the State, of men belonging to New York State regiments, will be sent to the chief mustering officer of the district where the regiment was enrolled. Assistant Commissaries will make tri-monthly reports of musters to the Chief Commissary of Musters on the forms prescribed in Circular 88, A. G. O., of 1864.

Mustard in the service of the United States in Company 3rd Infantry Regiment of Missouri Volunteers on the 22nd day of January 1864 at Hannibal Mo.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as 4, 5, &c., &c.; to describe particularly the disability, wound, or disease; the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1200 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander—or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper, so that the soldier is furnished with the proper dual documents in duplicate, and forward BOTH of these certificates, first to the Adjutant General United States Army, at Washington, D. C., they will not, under any circumstances, be given to the hands of the soldier.

FINAL STATEMENT

Corp. Edward B. Harmon
20th Reg't of Inf't Me.
Died Oct 1863

VOLUNTEERS.

Deceased

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landwarrant money entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be accepted as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability, and to describe particularly the disability, wound or disease, the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and extent of which are correctly described in the within certificate.

Per 1260 Regulations, Edit. 1891.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, opthalmia, ulcers or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the company commander or other officer commanding the company, to be forwarded to the surgeon in charge of the hospital where the soldier is sick. The surgeon in charge will fill out and sign the surgeon's certificate, and forward these papers to the regimental detachment of the company commander who will forward them with his report on the soldier, through the proper channel, to his division commander, or if the company is detached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates after having received the action of the high court of the army to which they are referred to be returned through the same channel to the company commander, who will if the discharge is authorized to see endorsement of the proper authority sign the soldier's discharge, and the certificate on this paper, see that the soldier is furnished with the proper final statements in duplicate, and forward one of these certificates to the Adjutant General United States Army, at Washington, D.C., they will not under any circumstances be given into the hands of the soldier.

NOTE 1.—Two of these certificates (or duplicate) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay &c. due him, and the captain or other commanding officer commanding the company will certify to the act of the discharge of the Volunteer certificates, on these certificates the Soldier is to be discharged, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster, the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these statements, and also to the time he has pay due for having been mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his description of his service, should be taken up by the officer who gives the final statements, and endorsed with a statement to this effect on the back of the statements. This endorsement should contain a full statement of the facts, showing the Soldier was allowed pay on his final statements, the clothing account, and other charges against him, or in his favor, as the case may be, and a copy of the list of his account. If it is then transmitted to the company commander of the Soldier, who was under it the statement necessary to a full understanding of the Soldier's account on the discharge upon which the Soldier's discharge is reported, the description of his service will then be described. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these final statements, and the Soldier receive in full pay or money due that may be due him at the time of his discharge, and which may not appear on his final statements. The fact that the descriptive list is incomplete. These accounts for back pay &c. are settled by the 2d Auditor of the Treasury Department.

NOTE 6.—Amounts due the Soldier and Landowners must be entered on the back of the statements, and the description &c. as reported, on the back of the statement, otherwise the amount cannot be collected from the United States.
